ADULT PROGRAMS

Burnaby FC is committed to provide a clear pathway for adult players. With this in mind, the Club is looking to support programming on both the women's and men's side by creating U21 (2003 and younger) teams in the MWSL and in the VMSL. Current adult teams from Mountain (women's premier), Wesburn (Men's Division 2), CAUFC (Men's Division 4) and BGSC (Division 2, 3 and 4) will be moving over to Burnaby FC. The Club is also looking to add a competitive Men's team in the VMSL as well as adding a Masters 3 team to the MWSL. The club has committed to providing admin support for all its adult teams and will look to align them in order to enable easier player movement.
